

IMPROVE YOUR BUSINESS & YOUR CAREER.

Join the Minnesota Multi Housing Association and your local Rochester Area MHA Chapter.

Who We Are

The Minnesota Multi Housing Association (MHA) is a statewide, non-profit trade organization founded in 1967 to protect the interests of the multi-housing industry at all levels of government. Our successful lobbying efforts, our nationally recognized education program, and our exceptional networking opportunities have made MHA one of the strongest and most emulated housing associations in the country. While members include the state's largest apartment management companies, developers, common interest communities, and providers of related products and services, the majority of our members own or manage fewer than 20 units each.

What We Do

MHA delivers value for its members through its products such as renter lease agreements, by offering world-class education to fit the needs of rental property owners and property management companies, and by advocating for all aspects of the multifamily housing industry with full-time presence at both the state capitol and within each municipality. In everything we do, we have the interests of our nearly 2,100 members and their more than 320,000 units in mind.

“Membership with MHA/RMHA has been a valuable asset to our rental business. The MHA website provides dependable links to accurate information and forms, as well as notification of upcoming educational offerings at the state and local level, with reduced pricing for MHA members. RMHA has assisted me in being aware of current laws, legislative issues, city and state codes related to the rental industry, as well as keeping me informed of pending issues.” — Barbara Kurth, Kurth Properties, LLC
